### General Consent

#### Consent to Treat

I consent to and authorize the physicians, nurses and other healthcare providers at Northern Lights Pediatric & Adolescent Medicine (NLP) to perform appropriate healthcare examinations, treatment, and diagnostic testing or medication administration as deemed medically necessary by their professional judgment. I know that there are some risks with all medical treatments and procedures and I understand that no one can guarantee how well treatments or procedures will work.

NLP is a teaching clinic. In addition to my clinician and other medical support staff, I may receive care from people who are in training. They are supervised by licensed health care providers.

#### Assignment of Benefits/Payment for Services

I authorize payment of any and all benefits to NLP. I know that I must pay for any charges for my care that are not covered by my insurance, health plan, or government programs. I realize I must cooperate with NLP to get payment for my care. This includes clearing up any disputes about charges. If I am eligible for payment from more than one type of coverage, NLP will return any extra payments to the payer. If I have an unpaid bill at NLP, any refunds due to me will be put on my unpaid bill. If there is money left over after my bill is paid, I will get a refund from NLP.

#### Release of Information for Treatment, Payment and Health Care Operations

I consent to and authorize NLP to use and disclose my protected health information for **treatment, payment and healthcare operation purposes**, including care coordination and quality assessment and improvement activities. Releases for these purposes may be made to consultants who are being advised or consulted in connection with my treatment, insurance companies, health plans, e-prescribing services, record locator services, payer network organizations, including clinically integrated networks and/or accountable care organizations in which my provider participates, and other healthcare providers involved in my care and treatment. Additionally, I consent to and authorize my insurance company to share any of my protected health information for the purposes stated above to NLP and/or a clinically integrated network or accountable care organization in which NLP participates.

#### Patient Rights and Privacy Practices

You and your family's rights and our privacy practices are posted in main areas within NLP. Your signature acknowledges receipt of our Notice of Privacy Practices. If you have any questions concerning your rights and/or our privacy practices, please contact your care provider or NLP's Privacy Officer.
